WELCOME TO THE WORLD OF YACHTING AND SAILING! WALK!

How nice it is to combine enjoying the picturesque Sevan on the water and practical training on J/70 yachts.

1. J/70 yachts are provided
2. Each yacht is managed by a professional captain
3. Special clothing is provided

The program begins with a theoretical introduction to the world of sailing lasting about 10-15 minutes, then, accompanied by the captain, guests go out on the water on yachts, and the walk lasts about 80 minutes. Involvement in the active phase of yacht management is determined by the guests themselves in accordance with their wishes and mood. As part of this program, most guests enjoy prosecco prepared by them in advance, while the captain manages the yacht, take pictures for their pages on social networks and spend a positive time with their colleagues and friends.

Price - 70,000 AMD per yacht
(Group - up to 4 people)
