ACTIVITY EXTREME SPORTS

Regatta

Winds of Armenia Winds of Armenia

Professional regatta:

1. A custom water route is developed using buoys
2. J/70 yachts are provided
3. Each yacht is captained by a professional captain
4. A qualified jury is provided, which calculates points in accordance with international standards
5. Special clothing is provided
6. An award ceremony is held with the presentation of medals and certificates

The program includes a 10-minute introduction to the theory of sailing, then practical training on the water lasting about 20-30 minutes, 1 hour or more of a full-fledged regatta with friends and colleagues, 10-15 minutes of the award ceremony on land.

The entry fee for one yacht is 200,000 AMD.
