

# Masterclasses at Pottery House

📍 Pottery House

👤 Pottery House Armenia

"Pottery house" is a full of rural colors **guesthouse** where the old and the new are harmonized. In addition to meet guests, a number of other services are also offered here. Among them are, for example **pottery / clay procedures**.

The basement of the house has been turned into a studio, where antiques and ancient tools used in the life of the Armenian village are displayed. They are constantly replenished. There is a goal to promote the life of the Armenian village in this way as well. It is in this environment that various masterclasses are held.

**Pottery** – the duration of the masterclass is one hour. We can make cups, salt shakers, souvenirs, candlesticks? There is an opportunity to roast and pick up the item he has made.

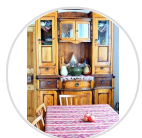

**Handicraft** – it is recommended to make bags, hats or souvenirs. The duration of the masterclass is 1 hour.

**Soap making masterclass** – made cream-soap takes the visitor with him / her.
